APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This temporary permit to change the place and manner of use of a portion of Claim No. 672 and 673 of the Carson River as heretofore granted under the Final Carson River Decree No. D-183, in the District Court of the United States in and for the District of Nevada, is issued subject to the terms, conditions and irrigation period imposed in said Final decree and with the understanding that no other rights on the source will be affected by the change proposed herein.

This temporary permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

This temporary permit is issued pursuant to the provisions of NRS 533.345 Section 2 and will expire on September 10, 1992 at which time all rights herein granted shall revert to the right being changed by this temporary permit.

The total combined duty of water under Permits 56694-T and 56695-T shall not exceed 367.3 acre-feet annually.

No water is to be diverted from the Carson River between October 15, 1991 and April 15, 1992.

A totalizing meter must be installed at the point of diversion from the Carson River and accurate measurements must be kept.

A monthly report shall be submitted to the State Engineer within 10 days from the end of the month which shall include the amount of water pumped from the Carson River, the well (56694-T), and the pond.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 1.93 cubic feet per second, but not to exceed 287 acre-feet annually.

Work must be prosecuted with reasonable diligence and be completed on or before \_\_\_\_\_

Proof of completion of work shall be filed before \_\_\_\_\_
